HOWARD HAVEN NEEDS Howard Haven is in urgent need of laundry soap, paper towels, toilet paper, hand sanitizer and napkins. Please place your items in the box marked "Howard Haven" located in the foyer.

FOOD FOR CALVARY FAMILIES We are collecting food for Calvary Families in need. There are 2 blue tubs in the coat room to receive your donated food items. This is a stressful time for those who are having financial struggles. Your generosity is much appreciated!

Congratulations! You Have Broken the Thermometer!

On behalf of myself and all those involved with camp (including the children going to camp) I want to say THANK YOU!!! This church has once again responded to the call for help to see "that no child would be left behind" this camp season.

It is obvious that you believe, along with the staff, that

CAMP CHANGES LIVES!

Your generous, and I'm sure in these difficult financial times, sacrificial gifts totaling \$1,367.22, along with the very generous memorial gift from Sharon Nace of \$5100.00, will sufficiently send the 22 children who signed up before the June 1st deadline. It will also send 5 volunteers that needed financial assistance so that they could be there to help Stacy Hawkins out with the 3 camps that she is directing this year. We now have \$1817.22 left over that can be used as seed money for next year.

Once again I cannot begin to express how proud I am of the church and its giving heart. I am honored and thrilled to serve you. May God pour out buckets of blessings on each of you and your homes for your generosity.

Tim England, Donna Laughner, Jan Watson and the Calvary Board of Christian Education.

Meet Rev. Larry Mason

Rev. Larry Mason will be preaching here at Calvary next Sunday. Please read about Rev. Mason in his own words from the ABC-IN web site.

"It is an honor to have been called to serve the American Baptist Churches of Indiana and Kentucky as your Executive Minister. Over the last several years I have learned to appreciate the leadership of this region and know that it is a privilege to minister with you as we seek God's leadership and direction for the years ahead.

In my role as Executive Minister I have overall responsibility for the region staff, as well as its programs, initiatives and mandates. I also represent the ABC/IN-KY at the local, regional and national levels through service on various boards and committees. Within the region my direct responsibilities include staffing the Region's Executive Committee and Board of Directors, the Finance and Investment Committees, Personnel Committee and Nominating Committee. In addition I serve on the Boards of Franklin College, Baptist Homes of Indiana and Edna Martin Christian Center. Nationally I am a member of the Regional Executive Minister's Council and the General Executive Council.

Keeping Jesus Christ at the center of all we do, maintaining a focus on prayer, trusting and utilizing an exceptionally gifted staff and believing that the heart of our region's ministry rises from within the local church, I continue to serve the American Baptist Churches of Indiana and Kentucky with hope and passion. I encourage you to contact me if there is ever anyway that you feel I could be helpful to you and/or your ministry for Jesus Christ".
