GOSPEL HOUR

March 3rd at 4:00 pm

The GOSPEL HOUR welcomes MATT GERHARD!

Matt Gerhard was born and raised in Kokomo where his musical education first began. Elementary school saw the start of piano lessons with Amy Shumway, and admittance into the Northwestern Elementary School Entertainers (an audition only choir for 5th and 6th grade students). In middle and high school Matt joined the band, and continued in choir and with piano lessons. Freshman year of high school saw the beginning of organ lessons with Bill Brown on a wonderful 3 manual Austin pipe organ! After graduation from high school, Matt enrolled at

Olivet Nazarene University as a Church Music major with an emphasis in organ. California Baptist U. was the next step in Matt's education. Matt earned a Masters in Choral Conducting studying under Dr. Gary Bonner. Organ lessons continued with Dr. Beverly Howard. While at CBU Matt was a member of the University Choir and Orchestra, Chamber Singers, and played in the pit for three musicals.

The music of the church has always been important to Matt. First Church of the Nazarene in Kokomo, IN provided the first opportunities for Matt to become involved in music ministry. The music ministry, under the direction of Liz Robinson, still provides opportunities for Matt to minister.

As an organist and pianist, Matt has performed programs of hymns, classics, and theatre organ repertoire. As a conductor, Matt has conducted ensembles ranging from the 140 member University Choir and Orchestra of California Baptist University to local church choirs.

A Business Meeting has been scheduled for NEXT Sunday, February 24th. If you are in church leadership or a team leader, please turn in a report to the office by Wednesday, February 20th. All are welcome at the meeting and encouraged to attend!
